To Whom It May Concern:

It is with great pleasure that I am able to highly recommend Lella Heins as an instructor of Acting. As a teacher of Advanced Technique in our conservatory program she is a valued member of our faculty.

I have had the opportunity to observe her teaching style and she has a strong, well-articulated set of values as a performer and teacher. Her approach to the work is refreshing and her ability to clearly communicate keen insights has been engaging to students of many different levels. She is highly dedicated, consistently prepared, and clearly has the respect of her students and fellow faculty members.

Helping to fulfill an important goal of our program, Lella also brings professional experience to the classroom and great lessons she has picked up as an Actors Studio member. It is with great confidence that I recommend her as a teacher.

Sincerely,

Glenn Kalison
